Distribution Boxes

Wellpower offers wide range of compact, aesthetically appealing & elegant distribution boxes with unique user-friendly features. Wellpower Distribution Boxes are specially designed & engineered to provide safety, convenience and simplicity. Wellpower Distribution Boxes are not only enclosures but a complete system in itself, incorporating switching and safety devices like MCBs, RCCBs, MCCBs & Isolators to give total protection to the living being & electrical installation.

We offer wide variety of distribution boxes with unique features:

- ◀ Elegantly designed compact DBs to suit your requirements
 - ◀ Suitable for surface & flush mounting
 - ◀ Raised neutral link for easy wiring
- ◀ Detachable din bar with end stoppers for easy assembly of MCBs
 - ◀ Supplied with fully shielded busbar
 - ◀ Level marks for providing indication for fitment in wall
 - ◀ Prominently placed earthing screws on either side
 - ◀ Supplied with Neutral & Earth Link
 - ◀ Detachable top & bottom gland plates
- ◀ Supplied with masking sheet to protect components from cement during plastering
